

**the  
Wolfsberg  
Group**

Financial Institution Name:

NIBC Bank N.V.

Location (Country) :

The Netherlands

The questionnaire is required to be answered on a Legal Entity (LE) Level. The Financial Institution should answer the questionnaire at the legal entity level including any branches for which the client base, products and control model are materially similar to the LE Head Office. This questionnaire should not cover more than one LE. Each question in the CBDDQ will need to be addressed from the perspective of the LE and on behalf of all of its branches. If a response for the LE differs for one of its branches, this needs to be highlighted and details regarding this difference captured at the end of each sub-section. If a branch's business activity (products offered, client base etc.) is materially different than its Entity Head Office, a separate questionnaire can be completed for that branch.

**Electronic Record and Signature Disclosure**

## **Disclosure Preview**

### **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, NIBC (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

#### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (90 days) after such documents are first sent to you.

#### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

#### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

#### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures,

authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

### **How to contact NIBC:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically by contacting the NIBC employee that you have received the electronic document from.

### **To advise NIBC of your new email address**

To let us know of a change in your email address where we should send notices and disclosures electronically to you, you must send an email message to your NIBC contact person.

If you created a DocuSign account, you may update it with your new email address through your account preferences.

### **To request paper copies from NIBC**

To request delivery from us of paper copies of the notices and disclosures previously provided by us to you electronically, you must send us an email to the NIBC employee who has requested you to sign the particular electronic document. In the body of such request you must state your email address, full name, mailing address, and telephone number.

### **To withdraw your consent with NIBC**

To inform us that you no longer wish to receive future notices and disclosures in electronic format you may:

- i. decline to sign a document from within your signing session, and on the subsequent page, select the check-box indicating you wish to withdraw your consent, or you may;

ii. send an email to the NIBC employee who has requested you to sign the electronic document. In the body of such request you must state your email, full name, mailing address, and telephone number.

### **Required hardware and software**

The minimum system requirements for using the DocuSign system may change over time. The current system requirements are found here: <https://support.docusign.com/guides/signer-guide-signing-system-requirements>.

### **Processing of personal data – Privacy Statement**

NIBC values and respects the privacy of our customers and business partners. We strive to protect the privacy and the confidentiality of personal data that NIBC processes in connection with the services it provides to customers. NIBC will process your personal data carefully and always in accordance with applicable rules and regulations.

The privacy statement describes how we (as a data controller) use your personal data in our business. We collect, use, disclose and otherwise process personal data that is necessary for the purposes identified in the privacy statement or as permitted by law.

- The Privacy Statement for our Customers and Business Partners can be downloaded and read here: <https://www.nibc.com/privacy-statement/>
- The Privacy Statement for NIBC employees can be downloaded and read here: <https://inside.prd.domain/Risk/legal/Documents/NIBC%20Employee%20Privacy%20Statement%20English.pdf>

In the event of any conflict or inconsistency between the body of this Electronic Record and Signature Disclosure and the relevant NIBC Privacy Statement, the terms and conditions set forth in the NIBC Privacy Statement shall prevail.

### **Acknowledging your access and consent to receive and sign documents electronically**

To confirm to us that you can access this information electronically, which will be similar to other electronic notices and disclosures that we will provide to you, please confirm that you have read this ERSD, and (i) that you are able to print on paper or electronically save this ERSD for your future reference and access; or (ii) that you are able to email this ERSD to an email address where you will be able to print on paper or save it for your future reference and access. Further, if you consent to receiving notices and disclosures exclusively in electronic format as described herein, then select the check-box next to ‘I agree to use electronic records and signatures’ before clicking ‘CONTINUE’ within the DocuSign system.
