About NIBC

NIBC is an enterprising bank focused on our clients' most decisive financial moments. Now and in the future. A bank that, like our clients, thinks ahead. We call this our 'THINK YES' mentality. For our consumer clients in the Netherlands, Germany and Belgium we offer mortgages, online savings and brokerage products that are accessible, easy to understand and fairly priced. We support our corporate clients in building their businesses. Operating in the Netherlands, Germany and UK, our corporate clients business (mainly mid-market) offers advice and debt, mezzanine and equity financing solutions to entrepreneurs across select sectors and sub-sectors in which we have strong expertise and market positions. The mid-market is dynamic by nature and requires a bank that can respond quickly and in a highly flexible way. Our aim is to meet the market's requirements at decisive moments such as mergers and acquisitions, management buy-outs, investments and strategic financings and re-financings.
